

QUALITY POLICY

We, Millennium Aero Dynamics Pvt. Ltd., are dedicated to quality and continuous improvement in processes for all our stakeholders, namely:

- 1) Principals
- 2) Employees
- 3) Customers
- 4) Vendors
- 5) Financial Institutions
- 6) Government and Regulatory Bodies
- 7) External Rating Agencies

We are committed to understanding our customers' requirements and delivering to their expectations on-time, every time on the following fronts:

- I) Sales and Marketing Services for support equipment pertaining to the Aviation industry & for climate control equipment deployed in the Mining / Earthmoving sector.
- II) Installation, Commissioning & Maintenance of support equipment for the Aviation industry and of climate control equipment for the Mining / Earthmoving sector.
- III) Project Management.
- IV) Product Life Cycle Support.

We have developed organizational excellence and quality awareness through strategic planning, risk management and continuous training. Quality is an integral part of our commitment, of effectively supporting world-class products and providing delightful services, to our principals and customers.

For fulfillment of our commitment, we:

- Manage our Company with utmost professionalism.
- Maintain highest standards of corporate governance and ethics.
- Build a Repository of Best Business Practices.
- Operate pro-actively with initiative.

We will strive to continuously evolve and improve the present Quality Management System with total organizational involvement.

Date: 3rd April 2017
