TRACEcertification is not a guarantee against past or potential wrongdoing by the certified entity or a guarantee against potential liability. A summary of any red flags identified during the TRACEcertification review is included in the report, but not all red flags preclude TRACEcertification. Companies doing business with this TRACE Certified entity should always request a full copy of the underlying report. To view a complete list of TRACE Certified entities, please visit the TRACE Intermediary Directory at <https://tpms.TRACEinternational.org/IntermediaryDirectory>.

TRACE Certification Renewal is valid from 15 November 2017 - 14 November 2018.

Please note that TRACE is no longer providing certificates upon completion of the renewal review

TRACE has transitioned to a robust on-line Third Party Management System. Companies can now visit this site <https://tpms.traceinternational.org/IntermediaryDirectory> in order to search for business partners that have completed TRACEcertified due diligence and to request a copy of your due diligence report.
